Thank you for getting in touch.

Dear Sir/Madam,

You recently let us know that you don't need a TV Licence and have withdrawn the implied right to visit. Our records have been updated and you won't receive any more letters from us for almost two years. We'll then get in touch again to see if your licensing requirements have changed. As many people move home or change their circumstances we're not able to put a permanent stop on letters.

We have noted your withdrawal of the implied right to access your property and officers have been told not to visit your address. We do reserve the right to use other methods of detection.

If your situation changes before then, please let us know.

If you begin to watch or record television programmes as they're being shown on TV, you will need to be covered by a TV Licence. This applies to any device, including TVs, computers, mobile phones, games consoles, digital boxes and DVD/VHS recorders.

You can buy a licence quickly and easily online at **www.tvlicensing.co.uk/pay** or by calling us on 0300 790 6128 with your bank details ready.

Yours faithfully,

Joanne Osborne
